KENDO

Modern stylish

Make Office Life Innovated

KENDO series has the closest natural color and the most textured texture. The natural texture gives the product vitality. The solid wood can improve the product grade and positioning. The sound-absorbing material can make the space quiet and comfortable. The simple shape gives the smart color and let Naturally integrated into the office, making office life better.

KENDO

Modern stylish
Make Office Life Innovated

KENDO series uses a combination of wood and steel. Under the premise of being more stable and harder, the wooden foot imitating the wooden sword is shaped like a bleeding groove, and the corners are rounded, with stronger details, more texture, and anti-scratch and anti-scratch. , More humane.
